

UID EXPERIMENT 07

NAME : MADHUMITHA P

REG : 240701297

AIM

To design and evaluate different user interface layouts and colour schemes for the **Chennai One Login Application** using GIMP, and to analyze user feedback based on aesthetics, usability, and readability.

PROCEDURE

Step 1: Install GIMP

- Download and install GIMP from the official website.
-

Step 2: Create a New Project

- Open GIMP
 - Set canvas size to **1080 × 1920 pixels** (standard mobile screen resolution)
-

Step 3: Base Layout Design

1. Divide Sections:

- Use the Rectangle Select Tool to create:
 - Header
 - Content Area
 - Footer
- Fill sections using the Bucket Fill Tool with base colours.

2. Add UI Elements:

- Add input fields:
 - Email
 - Password
- Add buttons:
 - Login

- Sign Up
 - Include additional options:
 - Forgot Password
 - 3. **Layer Organization:**
 - Assign each component to separate layers:
 - Header
 - Text Title
 - Input Field – Email
 - Input Field – Password
 - Button – Login
-

Step 4: Create Colour Variants

1. **Duplicate Layouts:**
 - Create three versions of the same layout.
 - Apply different colour themes:
 - Layout 1 – Classic Blue Theme
 - Layout 2 – Vibrant Chennai Theme
 - Layout 3 – Minimal Professional Theme
 2. **Export Layouts:**
 - Save as:
 - Layout1.png
 - Layout2.png
 - Layout3.png
-

Step 5: Collecting User Feedback

Google Form Link:

https://docs.google.com/forms/d/e/1FAIpQLSfrwuyRBqvjauNeUaJXKf3ooOhRqD_c9jb3R0sNHQpunzP6lg/viewform?usp=header

Procedure:

- Shared all three layout designs with users.
- Asked users to rate based on:
 - Visual Appeal

- Usability
 - Readability
 - Colour Preference
-

USER FEEDBACK ANALYSIS

Layout 1 – Classic Blue

- Simple and easy to understand
 - Clean structure with minimal elements
 - Suggestions:
 - Improve colour contrast
 - Enhance button styling with shadows or depth
-

Layout 2 – Vibrant Chennai

- Attractive and colourful design
 - Good visual hierarchy
 - Suggestions:
 - Background appears slightly cluttered
 - Increase spacing between sections
-

Layout 3 – Minimal Professional

- Clean and modern interface
- Consistent spacing and alignment
- High readability and usability
- Positive feedback with minimal suggestions
- Recommended to keep design unchanged

CONCLUSION

The experiment successfully demonstrated how UI layout and colour schemes impact user experience. The **Minimal Professional design (Layout 3)** was selected as the final design for the Chennai One Login App due to its clarity, usability, and visual balance.
